

JC2033

Internship

JC2033 International

Offer

JC2033 proposes an internship programme from 3 - 12 months. With this, the Intern gains work experience in their domain of studies and supports the JC2033 programme in general or accomplishes a specific project which is in line with JC2033's overall strategy.

Potential areas for internship

- **Communication:** journalism, writing of articles, travel reports, interviewing and writing testimonials of Ambassadors, developing the communication program on social networks, etc.
- **Website:** develop further languages on the present website and blog.
- **Videos:** creation of videos of travel, events, Ambassador training, for social network posts, etc.
- **Event management:** gain work experience by co-organising JC2033 events, such as a Global Gathering, fundraising event, an event for general supporters, annual general assembly, etc.
- **Technical support at events:** further develop tech support at events and online events.
- **Spiritual / theology:** research and compile or write theological documents on *Easter, the Resurrection, unity, testimony, celebration*.
- **Prayer:** develop and implement one or several prayer networks locally or in different parts of the world.
- **Translation:** translation of the vision book in a new language or translation of articles and videos.
- **Fundraising:** continue to develop and implement the fundraising strategy. Create and implement a specific fundraising project.

Objective

- **The Intern**
 - will have a possibility to gain work experience related to their studies in an international mission that works in the area of unity, witness and celebration.
 - will receive a work certificate which complements their CV.

- **JC2033 International**

- will co-work on a specific project or delegate a specific project for the intern to accomplish during these 3-12 months.

Qualifications

- Young persons aged 20 and 33 years
- Young people from all over the world who would like to have a professional, relational and spiritual experience in an international mission
- Students who speak English and, if possible, French, Spanish or German.

Duration of Internships

- An internship can be anywhere from a minimum of 3 months to a maximum of 12 months* for Swiss or European citizens.
- The duration for students from outside of Europe will be a maximum of 90 days* on a tourist visa.
- It can be extended by an assignment abroad for several months with one of our 140 ambassadors in 40 countries.
- The start date and the duration of the internship will be agreed between the Student and JC2033.

** legal requirements of both countries will have to be met*

Volunteer or paid position?

- The Internship with JC2033 International is not a salaried position.
- All costs such as airfare, accommodations, food, transport and health insurance covering Switzerland will have to be born by the student and their sponsors.
- A minimum of CHF 1200 per month is required to cover the living cost in Switzerland (in addition to the international travel fees).
- Solutions for accommodation may be proposed. They are subject to availability.
- No scholarships are available from JC2033.

Location of the JC2033 Internships

- The internship will take place at the JC2033 International offices in Saint-Prex, near Geneva and Lausanne, Switzerland.
- The offices are within a 10-minute walk from the shores of Lake Geneva, with a breathtaking view of Lausanne and the French Alps.
- Public transport is within a 10-minute walk.
- JC2033 is connected with churches in the region, some of which are bilingual in English and French.
