## JC2033 IS...

- A name: «Jesus Christ 2033».
- A logo, the tomb and the rolled stone representing the resurrection of Jesus Christ.
- A mobilization of Christians to prepare for the celebrations of the 2000th anniversary of the Resurrection of Jesus Christ around the world in 2033.
- A decade, from 2023 to 2033, to anticipate the 2000 years of Jesus Christ's ministry.

JC2033 means proclaiming to the world that Christ is Risen!

### **MAKE AN IMPACT ON THE WORLD AROUND YOU !**

Jesus chose twelve disciples. Not the best, not the richest, not the most qualified. After the resurrection, they received the mission to proclaim everywhere that Christ is Risen!

When Jesus was with them, they were his disciples.

Shortly after the resurrection, they became his apostles on mission.

What mission? To proclaim everywhere:

**CHRIST IS RISEN ! HE IS TRULY RISEN !**

# TESTIFY

The Bible is full of testimonies of ordinary people who become history makers. Their acts of love and obedience turned into powerful movements, impacting the world.

In every generation God raises people to be his voice and to reveal himself through them to deliver his people.

You were born for such a time as this. (*Esther 4:14*)

Men and women from all corners of the World are marching together, they carry this JC2033 Global initiative and gather around Jesus.

Would you like to be a World Changer and to be part of this global movement so that the World will know that Jesus is Risen ?

Respond to the call and make a difference in your areas of influence and the nations and people God is calling you to.

We hope to walk humbly with you along this path to 2033.

# VISION, MISSION AND VALUES

**Celebrate together 2000 years of the Resurrection of Jesus Christ for the world to know !**

## **MISSION**

- Mobilize and activate Christians to walk together with the Risen Christ.
- Motivate the Churches to prepare and celebrate the worldwide festivities of the 2000th anniversary of the ministry, death and resurrection of Jesus Christ, culminating in Easter 2033.
- Proclaiming with one voice that Christ is Risen !

## **UNITY**

### **Gather for the 2000 years of the Resurrection !**

In walking towards Easter 2033, JC2033 invites Christians and Churches, from everywhere and in all their diversity, to gather around Jesus Christ, our Saviour and God, crucified and risen for us. Let's be together as He calls us to be one ! (John 17:21)

## **WITNESS**

### **Then the World will know !**

Imagine every disciple of Christ proclaiming together, "He is Risen indeed !" A common witness between Christians will be credible and impactful if we love each other in the Holy Spirit ! This Jubilee (and its preparation) of the 2000 years of Christ's Resurrection is an historical opportunity to share in words and in actions the Love of God to the ends of the earth. (Habakkuk 2:14)

## **CELEBRATION**

### **Celebrate globally for God's glory !**

The festivities around the 2000th anniversary should be joyful, artistic and creative. Celebrating the beauty of the Resurrection of Christ, in diversity, joy and thankfulness will be attractive. Let us gather as Church in stadiums, squares, parks, mountains, fields, beaches, homes and on the Internet ! Let's make it creative ! (Psalm 68:33)

# WHO ARE THE AMBASSADORS ?

Ambassadors are men and women who have understood the JC2033 vision, make it known through their networks and make it happen in their country or region.

Our Ambassadors use their skills, competencies and connections with Christian leaders and churches in their region or within their sphere of influence to spread the vision and to develop different unity projects to celebrate the Risen One.

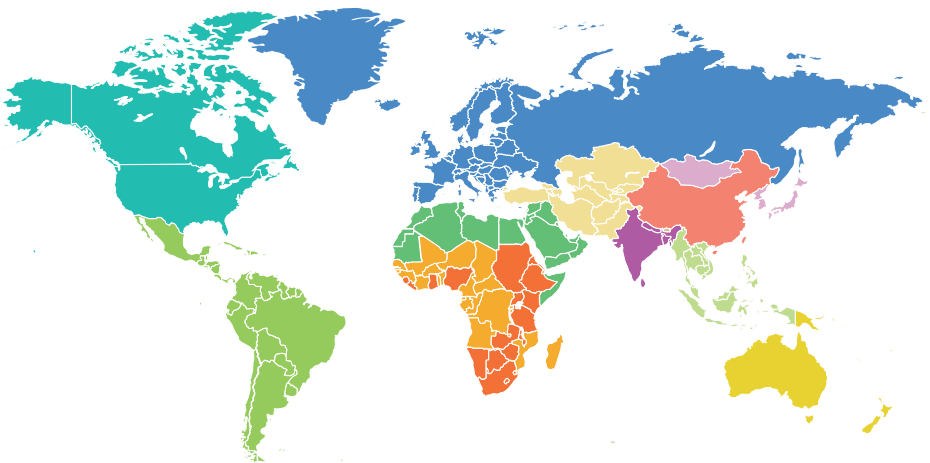

Ambassadors are peacemakers, they have hearts beating for unity in Christ, they desire to witness to the whole world that Jesus Christ is Risen and love to celebrate the Risen One with all the Christians.

## OUR GOALS

**One ambassador in every country**

**One ambassador per million inhabitants by 2030**

**One hub in each of the world's 12 regions**

# AMBASSADOR PROGRAM

The JC2033 ambassador program has 3 main objectives :

- Connection
- Training
- Multiplication

**Get connected** with other ambassadors around the globe via a WhatsApp group and monthly global prayer meetings.

**Get equipped** to share the vision and start unity and celebration projects in your region at annual ambassador days as well as regular video meetings.

Learn more about JC2033's 3 core values with exclusive videos and articles. You'll find training modules and resources on our website.

**Get commissioned** at our Annual Global Gathering, where together we develop strategies for multiplying our ambassadors around the world, so that the vision can spread ever further.

Each ambassador finds and trains a new ambassador every year. This will enable us to reach our target of one ambassador per million people by the year 2030.

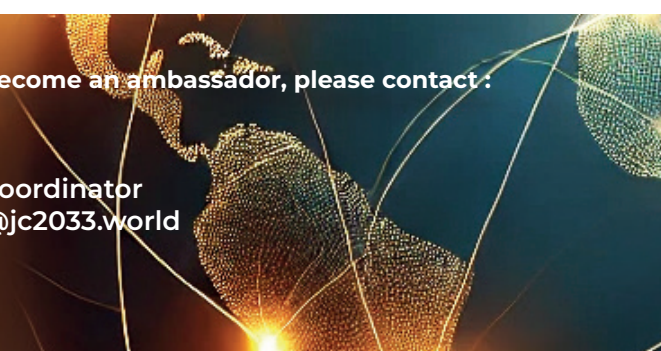

Are you interested in joining the JC2033 Ambassador Program and starting your own projects of unity, witness and celebration in your region or country?

It's a wonderful opportunity to be connected to people all over the world, to make the Risen Lord known to all.
